## Alberton 23

4

The Alberton 23, designed for 10m+ blocks, includes 4 bedrooms and 2 bathrooms. This double-storey floor plan emphasizes open living spaces, creating a welcoming environment for family interaction and entertaining. The home design includes a downstairs bathroom for guest convenience and upstairs bedrooms for family privacy. The Alberton 23 is ideal for those seeking a harmonious balance between social spaces and private retreats, offering an inviting atmosphere for all occasions.
