Bishop 17

3 2 2

The Bishop 17 proves that thoughtful design always wins over size. Showcasing 3 bedrooms, 2 bathrooms and a 2-car garage, this cleverly designed small lot compliant home delivers functionality without sacrificing a single element of comfortable family living. The master suite sits privately at the front of the home, complete with a walk-in robe and ensuite, while two generously sized secondary bedrooms share a central bathroom and separate WC - thoughtfully positioned to keep the family well zoned and connected. At the heart of the home, a generous open-plan kitchen, dining and family area creates a welcoming and free-flowing social space that invites connection. A separate Euro-style laundry and double garage with internal access add the everyday practicality that modern families need. Smart, considered and beautifully resolved - the Bishop 17 is an exceptional option
