

Bremer 18

The Bremer 18 boasts a floor plan with 3 bedrooms and 2 bathrooms, offering an intimate embrace of family living. The heart of the home unfolds in an open-plan kitchen and dining area, leading to an alfresco for seamless indoor-outdoor enjoyment. The master suite, complete with an ensuite, promises a private haven, while additional bedrooms are thoughtfully placed for tranquillity. This single-storey design efficiently uses space, ensuring every part of the home is a testament to comfortable living.
