The Carolina 24 is thoughtfully designed to bring families together, with a spacious open-plan kitchen, dining and living area forming the heart of the home. A separate lounge offers a quiet place to relax, while the walk-in pantry, dedicated laundry and double garage provide everyday practicality. The private master suite features a walk-in robe and ensuite, while three additional bedrooms are positioned together with a central bathroom, creating an ideal family zone. Blending smart design with functional living, the Carolina 24 offers the perfect balance of comfort, flexibility and style.
