Made for Every Moment The Cobaine makes it easy to bring people together, and just as easy to spread out. At its heart is a light-filled open plan living zone that flows seamlessly to a generous alfresco, perfect for entertaining all year round. An extra living room and dedicated games room add even more ways to relax, play or celebrate. And when it's time to wind down, four spacious robed bedrooms, including a well-appointed master suite, ensure everyone has their own retreat.
