Family-Friendly by Design This big-hearted home is built for easy, everyday living. A second living room near the master suite creates the perfect space to unwind with a movie or catch up in peace, while the generously sized kids' bedrooms come with extra-large wardrobes, ideal for keeping toys, games, and clutter at bay. In the kitchen, a walk-in pantry and ample bench space make it simple to prep breakfast, school lunches, and dinner without missing a beat.
