The Granite 22, a 4-bedroom, 2-bathroom home with 2 living spaces, is single-storey, designed for a 12.5m+ block, catering to the dynamics of a busy family. It features a large kitchen with a diner-style brunch bar and a hidden butler's pantry, overlooking a spacious dining and living area with a welcoming atmosphere. The home's layout includes three centrally located bedrooms for children, while the master suite is a secluded sanctuary strategically placed behind the lounge at the entrance. This design epitomises modern living with spaces that adapt to both lively family interactions and tranquil moments.
