Hinterland 58

5 4 2

The Hinterland 58 home design sets a new standard for luxury and space, boasting an expansive two-storey layout that includes 5 bedrooms, 4 bathrooms, a 2 car garage, and multiple living areas. This house plan is intelligently designed to facilitate a seamless flow between generously sized rooms, integrating open-plan living with private spaces effectively. The floor plan features a master suite that serves as a private retreat for homeowners, complete with a walk-in wardrobe and ensuite. With a minimum block width of 16m+, this double-storey floor plan is ideally suited for large families, upsizers, or those seeking an architectural masterpiece to call home. The Hinterland 65 embodies contemporary elegance, offering ample space for entertainment, relaxation, and comfortable family living.
