Effortless Entertaining, Easy Living The Jansen is a home that welcomes you from the moment you step inside. At its heart is a well-connected open-plan living zone that flows seamlessly to the alfresco - ideal for entertaining family and friends. When it's time to unwind, the master suite at the front of the home offers a private escape, while the secondary bedrooms are thoughtfully tucked away in their own wing. Designed with balance and lifestyle in mind, the Jansen truly has it all.
