**412 m²**

The Norwood exudes timeless sophistication and functionality, ideal for families who entertain. This two-level design spans 44 squares and features expansive, seamless spaces. On the ground floor, a modern kitchen with a butler's pantry connects to open-plan living and dining areas, a sitting room, guest suite, mudroom, and laundry. Upstairs, a luxurious master suite and three bedrooms with walk-in robes, along with a rumpus and powder room, complete the home.
