

The Oak

MASTERPIECE

House Area

329.05 m²

The Oak is a spacious, stylish home designed for family living and entertaining. On the ground floor, an open-plan family and dining area flows from a modern kitchen with a butler's pantry and is complemented by a sitting room, study, and mudroom. Upstairs, a master suite with a walk-in robe and ensuite, along with three bedrooms and a central bathroom, create a retreat. This 35-square design balances comfort and practicality.
