

The Sussex

MASTERPIECE

5 5 2

House Area

436.72 m²

The Sussex, a 5-bedroom home, seamlessly combines classic charm with contemporary style. Upon entering, you will be greeted by a study on the left and a cozy sitting room on the right, providing a glimpse of the inviting spaces that await. These include a lavishly designed master bedroom, a generously sized kitchen, a dining area, and multiple living spaces.
