## Woodlands 28

4

Designed for 14m+ blocks, the Woodlands 28 features 4 bedrooms, 2 bathrooms, and a 2-car garage. This single-storey home design includes an open-plan kitchen leading to a central lounge, study, and master bedroom, creating a flow of shared and private spaces. The floor plan caters to family foundations, with wide open areas complemented by discreet, personal retreats, embodying contemporary family living.
